A feeling of calmness and peace of mind is felt by wearing this MST Scalar Energy Pendant.

This pendant raises the vibratory frequency of the body effortlessly and connects an individual to their higher self.

Scalar Energy Pendant utilizes specialized quantum physics, geometry and vibration harnessing technologies

With the help of these technologies, power of the human body's bio-energy system is synergized and run with optimum performance

Known as chi, or life force energy in some cultures, it runs through meridian points in our body

In modern times, Scalar Energy is required to fight against the impact of harmful

electromagnetic waves

These harmful impacts may be pain in low back (especially), neck, shoulder, muscle and joint stress, nervousness and dormancy

Mobile phone, computers, TV's, microwaves and other electric devices have changed our lifestyle and have also introduced us to hazards of mobile phone network and high voltage electric network

Japan has devised solutions using "Scalar energy" to deal with harmful side effects of electromagnetic waves, and are therefore, considered a giant in science & technology

Changed life style has limited our physical activities and sport practice, which is the reason for diseases like obesity, diabetes, hypertension, heart failure.

All these diseases have a negative impact on the blood circulation, required to maintain good health.
